

# GROWING YOUR OWN BUSINESS: A WORKBOOK

## EXERCISE 1.5

### NETWORKING — WHO DO I KNOW AND HOW CAN THEY HELP TO BUILD MY BUSINESS?

Develop a profile of your own current network along the following lines.

| Contact organisation | Contact individual | Nature of contact | Quality of contact | Value of this contact to your business during growth stage |
|----------------------|--------------------|-------------------|--------------------|--|
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
|                      |                    |                   |                    |  |
